A Brief Insight

THE COMPANY

We would like to introduce our self as a company engaged in inspections, valuations, pre-risk inspections, verifications, and survey work .We are a company engaged in the business for over a decade to provide professional services to Banks, Finance companies, Insurance companies and Corporate companies. We hope we may be of help, if not now, in the future. We provide a wide range of vehicle/machinery examination services from pre-purchase to post purchase inspections. Help in making the right decision is always available, it costs nothing to enquire.

The organization works under the directorship of Mr. Satin Sachdeva (Automobile Engineer) who is a govt. approved surveyor and loss assessor and enjoy accreditation from Insurance Regulatory and Development Authority (IRDA). He has a fine experience of more than twenty five years serving financial and govt. institutions with utmost honesty and efficiency.
